★★★★☆, 91/100

Sam Kim, Wine Orbit

It is immediately appealing on the nose showing sweet raspberry, stone fruit and floral characters, leading to a vibrant palate that is juicy and lively. The wine is pristine and light, offering fabulous drinking.

The bright pink 2019 vintage is a blend of Merlot and Malbec. It has a fragrant, fresh bouquet, leading into a vivacious, dry wine with strong, lively watermelon and spice flavours.

90/100

Cameron Douglas, MS

Vibrant, fresh, rose and fruity bouquet of rosé. Aromas of melon and red cherry, red apple and plum. Tense, firm, crisp, crunchy texture, youthful and fruity on the palate. Lots to enjoy and savour with flavours of raspberry, red berries and melon. Plenty of acidity, balanced and well made.
