*Bob Campbell MW*

Light, pure pinot noir with a lifted aroma of raspberry jam and cherry leading to a delicately spicy finish. Pretty wine in an appealing and accessible style. Simple but with good varietal definition. Offers value at this price.

★★★★ - *Winestate Magazine, Best Value Buys*

★★★★, 17.5/20 - *Raymond Chan*

This has a softly full nose with gentle volume of fragrant red cherry and berry fruit aromas, interwoven with red florals and savoury dark herb notes at the core. The aromatics are harmoniously presented. Medium-bodied, the palate has gently rich and luscious fruit flavours of red cherries and berries, along with soft notes of florals and herbs. This is a gently rich and sweet red cherry and berry fruited Pinot Noir with supple and accessible structure.

★★★★, 88/100 - *Sam Kim, Wine Orbit*

A lovely elegant expression, the fragrant bouquet shows red cherry, cranberry, toasted almond and floral characters. The palate is nicely rounded and juicy, and displays attractive fruit intensity and smooth texture, leading to a lingering silky finish. The wine offers immediate appeal.
