Hāhā 2016 Marlborough Reserve Pinot Noir

Awards and Accolades

★★★★☆, 90/100

Sam Kim, Wine Orbit

An instantly appealing pinot, the fragrant bouquet shows red/black cherry, floral, vanilla and toasted almond characters with subtle spicy complexity. The palate is juicy and beautifully rounded, and delivers attractive fruit intensity and silky texture, elegantly framed by smooth tannins. This is flavoursome and friendly, and offers vibrant fruit flavours with gentle savoury nuances.

★★★★, 90/100

Bob Campbell MW

Aromatic pinot noir with bright black cherry, plum, liquorice and spicy oak flavours. Moderately weighty wine with a silken texture. A strongly varietal wine offering value at this price.

★★★★, 18/20

Raymond Chan

The nose is softly packed and concentrated with moderately firm and deep aromas of dark-red cherry and black berried fruits, along with complexing savoury herbal notes. Medium-bodied, the palate has gently concentrated flavours of ripe dark-red cherry and berry fruit with nuances of plums and savoury herbs. This has good presence and body, the flavours smoothly filling the palate and forming a rounded heart. The fruit is framed by fine, grainy tannin structure with fresh acidity providing energy and drive. The structure carries the flavours to a sustained, rounded finish.

This is a gently full and rounded Pinot Noir with rich, dark berry fruit and a grainy textured palate.
