

2019 Marlborough Reserve Pinot Noir

Only produced when the fruit is exceptional, our Reserve Pinot Noir is picked from specially selected sites in the Wairau Valley in Marlborough. Black cherry, plum and raspberry notes are beautifully balanced with a subtle spice and a long rich finish.

Colour:

Deep red with a purple hue.

Aroma:

Dark fruit aromas of plum and raspberry with ground coffee notes.

Palate:

Excellent palate weight and fruit intensity with a wonderful depth of flavour and generous structure.

Winemaking & Viticulture:

The 2019 growing season was significantly warmer and drier than average, with lower yields due to adverse weather during flowering. This resulted in fantastic Pinot Noir from Marlborough that had thick skins, intense colour and flavour.

Fruit for our 2019 Reserve Pinot Noir comes from a selection of vineyard sites in the Wairau Valley in Marlborough. Upon arrival into

the winery, the fruit was cold soaked for 3-5 days to extract optimal amounts of flavour and colour.

Fermentation followed in small open top tanks using a selection of yeasts. After gently pressing the liquid off the skins post fermentation, the wine underwent malolactic fermentation to soften the palate and was then aged for 12 months in French oak barrels.

Wine Analysis:

Alcohol 12.5 % v/v

Residual sugar <1 g/L

Acidity 5.7 g/L

pH 3.62

Food Match:

We love drinking this wine with a mushroom risotto or game meats.

Food Match:

Cellar for 5+ years.
