

2023 Hawke's Bay Pinot Gris

Youthfully charming and elegant, our Pinot Gris continues to satisfy Gris lovers with its succulent quince, pear and nectarine flavours. With vibrant fruit flavours, exceptional aromatics and a rounded mouthfeel it is delightfully drinkable.

Colour:

Pale golden yellow with bright green hues.

Aroma:

A harmonious blend of quince, pear and ripe pineapple, with a delicate floral lift of orange blossom.

Palate:

A beautifully rounded palate offering bright fruit flavours with supple texture and refreshing acidity.

Winemaking & Viticulture:

Despite the challenges of the 2023 growing season in Hawke's Bay, the fruit we harvested was of great quality, through the hard work of our talented vineyard and winery teams.

The fruit for this wine was grown in the alluvial plains of the Hawke's Bay region, in the Ohiti and Maraekakaho sub regions. The juice underwent a long, cool fermentation with a variety of yeasts to build and enhance the aromatic complexity. Following fermentation, the wine was blended, stabilised and filtered prior to early bottling to capture the freshness and fruit purity.

Wine Analysis:

Alcohol 13 % v/v - Residual sugar 2.8 g/L - Acidity 6.1 g/L - pH 3.66

Food Match:

Enjoy with Asian cuisine, chicken and light pasta dishes.
