Bursting with juicy red fruit flavours and a hint of spice, this is an elegant Rosé with a lingering, moreish dry finish that will leave you wanting more.

Winemaking & Viticulture:

Despite the challenges of the 2023 growing season, the 2023 vintage was an excellent one for Rosé in Hawke's Bay and has resulted in one of our most exciting wines yet!

The grapes were sourced from a number of vineyard sites in Hawke's Bay in the Bridge Pa sub-region. A mix of Merlot and Malbec, the grapes were processed with minimal pressing on skins to give just a touch of colour. A temperature controlled fermentation with selected yeasts helped to preserve the aromatic flavours.

Wine Analysis:

Alcohol 11.5 % v/v - Residual sugar 3.8 g/L - Acidity 6.9g/L - pH 3.33

Food Match:

Perfect for a picnic, enjoy slightly chilled with friends and family. Delicious as an aperitif and with long lunches.
