Hāhā 2019 Marlborough Pinot Noir

Awards and Accolades

★★★★☆, 91/100

Sam Kim, Wine Orbit

Bright and beautifully fragrant, the wine shows dark plum, sweet cherry, floral, subtle spice and toasted nut characters on the nose, leading to a succulent palate that's wonderfully rounded and supple. It's upfront and appealing with plenty of tasty flavours, finishing long and silky.

Bob Campbell MW, The Real Review

Light, fresh and tangy pinot noir with red fruits, spice, anise, pepper, fresh herbs and nutty oak flavours. This wine has a backbone of peppery tannins giving a dry finish.

88/100

Cameron Douglas MS

Aromas of light red berries with cherry and cranberry then a light red apple skin note. A raspberry and red flower aroma follow along with a light toasty brown spice oak layer. On the palate – crunchy textures, flavours of currant and cherry then fine wood tannins and medium plus acidity. Balanced, well made, varietal, youthful and ready to enjoy.
