Awards and Accolades

★★★★☆, 90/100

Sam Kim, Wine Orbit

Bright and attractively fruited, the inviting bouquet shows Black Doris plum, blueberry compote, violet, mixed spice and toasted nut characters. The palate is fruit expressive and fleshy with a silky mouthfeel and a lingering smooth finish. Immediately appealing with sweet berry flavours and supple texture.

★★★★

Michael Cooper

Delicious young, this floral, ruby-hued red is vibrantly fruity and supple. Medium to full-bodied, it has gentle tannins, good depth of fresh, youthful, plummy, spicy flavours and a rather pinot noir-ish charm.

Bob Campbell

Delicately aromatic Syrah with raspberry, pepper, spice and a suggestion of floral flavours. A core of sweet fruit is balanced by fruity acidity to give a pleasantly dry finish. A bright, fresh wine offering value at this price.

88/100

Cameron Douglas, MS

Nice and gentle varietal beginning with a soft black pepper and raspberry fruited bouquet. More black currant than raspberry on the palate with pepper, wood and black licorice to follow. A light smoky note adding complexity and depth. Firm tannins, plenty of acidity, well made overall.
