A fresh and very aromatic palate with flavours of melon, passionfruit, lime peel and a perfectly balanced herbaceous character with a long lasting finish.

## Winemaking & Viticulture:

The 2020 vintage was an excellent growing season in New Zealand with warmer and drier weather than normal. The grapes for this wine were sourced from a number of vineyard sites in Marlborough, predominately in the Wairau Valley sub-region.

The fruit was gently pressed and fermented in stainless steel tanks with selected yeast strains to enhance the aromatic characteristics of the wine.
